

The diagram shows the orthographic projection of a mechanical part. The front view (top) shows a cylindrical body with a diameter of 0.51 and a length of 0.25. The end view (bottom) shows a cross-section with a diameter of 0.25 and a length of 0.18. The part has a 45-degree chamfer on the top edge and a 0.08 thick flange on the bottom edge. The dimensions are given in inches.
